EASY CONNECT SYSTEM

All our fairy lights are equipped with „EASY CONNECT“. The EASY CONNECT plug connec-
tions guarantee easy and safe handling. The connections are child's play to couple and offer you many options.

EASY CONNECT is suitable for both indoor and outdoor use.

For your individual and proper installation of the lighting system, you will find the appropriate accessories on the following pages. All our lighting systems must always be operated together with a converter and a mains plug. Please note that the converters have a maximum capacity of 460 watts and the cable length of 120 metres is not exceeded.

All products are CE, RoHS and VDE certified and must not be disposed of in household waste.

LED Flash Fairy Lights

Our Flash light chain is perfect for modern Christmas decoration. This slightly bluish cold-white light colour creates a special flair and the flashing effect enlivens the entire decoration.

The LED Flash light chain is available with cold-white light, flash function and black cable.

LED Flash Light Chain | 120 LEDs, 50 cm spacing, 60 m long (4 x 15 m), light colour:cold white

LED Icicle Curtain

Icicle curtains are ideal for decorating walls, facades, stair railings or handrails. These curtains have a width of 200 cm and a LED spacing of 9-10 cm. The Icicles are available with drop lengths of 50, 90, 150 and 200 cm. The individual strands are not interchangeable.The 200 cm wide curtains with 90, 150 and 200 cm drop can be separated after 100 cm. Unfortunately, this is not possible with the 50 cm drop length, so we have included the 100 cm length version in our range for you. Available with white and black cable. The light colour is selectable between cold and warm white.
